PIONEER BIBLE TRANSLATORS

"The goal of Pioneer Bible Translators isn't just translation, but transformation. We bring people to Jesus through Bible translation and church planting, combined with discipleship, incarnational ministry, and the use of translated Scripture."

AUDIENCE

- **Original audience: children and adults in the target region who want to learn how to read their language (using a common language they already know)**

- **Missionaries trying to learn a new language**

- **New audience: whoever PBT wants to help learn a new language, given enough data. Challenge due to data.**
